PREFACE.

THIS is the Thirty-eighth Edition of the SCOTTISH DIRECTORY AND GAZETTEER, and we have again to tender sincere thanks to our numerous Subscribers and Friends for the steadily increased patronage which, from year to year, has been accorded to the work.

Several important new Sections are now embodied in the Directory. These include a complete List of the Magistrates, Councillors, and Officials for every Municipal and Police Burgh in Scotland, Early Closing and Market Days, etc. Amongst the other miscellaneous information are included Municipal, Clerical, and Medical Lists for Edinburgh, Glasgow, Aberdeen, and Dundee; Justices of the Peace for the Cities of Edinburgh and Glasgow; Officers of State, Local Government Board for Scotland, Lords-Lieutenant, Sheriffs, Procurators-Fiscal, and Judges of the Supreme Courts of Scotland; Members of Parliament; British Consuls and Vice-Consuls in Foreign Countries; Masonic Officials in Scotland; Railway Officials, etc.

Since the last edition was issued, the Directory has undergone a complete and thorough revision, and it is confidently hoped that mistakes are both few and unimportant. For any errors of omission, or inaccuracy, however, we must plead indulgence in view of the wide area covered by the work.

The Gazetteer gives the Population according to the latest Census.

In the process of compilation and bringing up to date of the present edition of the Directory a large number of names have been added to its lists, our agents having visited every City, Town, and Village throughout Scotland.

The price for current edition (Trades' Directory only) is 21/- net; to Subscribers, ordered before publication 15/- net; Colonial and Foreign Subscribers are charged 5s. extra to cover additional cost of carriage, etc.

THE COUNTY DIRECTORY.

A County Supplement is now issued, and can be had bound together with the "SCOTTISH DIRECTORY AND GAZETTEER." This Supplement forms an exhaustive Directory of the Nobility, Gentry, and Private Residents, also County Councillors, Professional Gentlemen, and Farmers throughout Scotland, and is issued at the price of 7s. 6d. extra; or may be had bound separately, price 10s. 6d. net.

In offering our best thanks to all those who have kindly assisted us, directly or through our representatives, with information, we wish to state that any suggestion likely to increase the usefulness of the work will have our respectful consideration. It will be our earnest and constant endeavour in future editions, by accuracy of detail, completeness of information, and the introduction of new features, to merit the continued confidence of the public.
